Important Information About The Application Process.

- Electronic application forms to be submitted online by January 10th 2017. (LRS DEADLINE)
- Students are supported through their Careers lessons, guidance appointment and interaction with colleagues from Careers Jersey & higher education establishments to make their decisions.
- Students are taught the importance of researching, preparing, comparing and considering all aspects of different Career pathways. They are expected to find out information on what they will be studying.
- Students are encouraged to consider a back-up option in case their preferred route is not successful.
- The application form can be an opportunity for students to apply for different courses and study options.
- The final decision on where students end up in September 2017 is made the day the GCSE results are issued in August 2017.
- Students can 'opt-in' to small visits of the private 6th form colleges. Please See Mrs Stier to register your interest.
