Student quote "our teacher is brilliant, she helps you with your work, explains difficult topics in a variety of ways, so we understand it. I am happy to keep coming to extra lessons."</p>	<p>£63,757</p>
<ul style="list-style-type: none"> <li>Students to improve their grades at Science GCSE. The schools value added score to improve from 2017.</li> </ul>	<p>Staff training, employing an external advisor to support and adviser the department.  Offering learners revision clubs.  Providing learners with revision resources.</p>	<p>Staff understand the requirements of the new double GCSE Science qualification at grades 1-9. This has opened up opportunities for resources to be developed. Over all outcome of students achieving a grade 4 /C increased by 26% in 2018 from 2017.</p>	<p>£3324</p>
<ul style="list-style-type: none"> <li>Bring real life experiences to learners through guest visitors.</li> </ul>	<p>Invite motivational speakers and authors to engage with the students.</p>	<p>Learners experienced visiting authors, leading to an increase in engagement and participation of the school library. Motivational speaker to Key stage 4 has resulted in an increase in productivity of students and an increased participation of revision sessions. Specific learners were given smaller group intervention to consider life choices and what is needed for future education and employment.</p>	<p>£2276</p>
<ul style="list-style-type: none"> <li>Real life experiences and opportunities to raise aspirations.</li> </ul>	<p>Year 7 Football – UK Football training – Valencia Skiing  Food Mastery cooking competition</p>	<p>Learners who applied for specific activities were given the opportunity to have an experience that may not have otherwise been open to them. In terms of sporting experiences this also supported the 'Healthy schools' program.  Students had the opportunity to meet top chefs, partake in a real cooking competition and have been offered the opportunity to train at some to the top Jersey hotels.</p>	<p>£3224</p>
<ul style="list-style-type: none"> <li>Allow all learners to partake in school practical cooking and Design Technology lessons. Including exposure to the latest technology and in preparation for the world of work and life skills.</li> </ul>	<p>All Jersey premium learners were provided with ingredients  Freezer and fridge  Planting – growing sustainable herbs and vegetables for current and future learners</p>	<p>100% of learners are able to participate in cooking practical lessons. All students are educated in healthy sustainable cooking on a budget. All learners take their cooking home.  To store the ingredients (above). Equipment and containers for learners to use and take home.  Students are not only using the ingredients they are learning to be healthy with the use of home grown food. Furthermore life skills are being learnt on how to grow your own at an affordable cost.</p>	<p>£11, 861</p>

Le Rocquier School Jersey Premium 2018 Evaluation

	3D Laser printer, wood and materials.	All non-Jersey premium students are asked to contribute toward the cost of material to allow them to take their finished articles home. This allows all learners to partake and keep their items with pride. The 3D printer will allow learners to access the higher end of the specifications at GCSE, giving them opportunity to select different projects and skills that may be taken into the work place.	
Ensure al learners participate in PE	Purchased spare sport kit to lend to students.	Up to 7 learners were not participating in each PE lessons due to lack of sport kit, clothing and footwear. Kit is now leant to students and there is 100% participation. This also supports healthy schools.	£ 1657
Ensuring learners have access to equipment to enable good learning	Maths: all learners now use the same calculator	Maths: allowing the teaching of concepts and familiarisation knowledge for examinations. Allowing learners to swiftly work through the exam questions with a sound knowledge, access to equipment to speed up the pace and optimising the potential to complete the paper in time.	£ 3210
	Year 7 reading books, bags and pencils	The school library provides all Year 7 students with their own book pack to encourage lifelong reading.	£368
	Art: All Key stage 3 have been bought a colouring pencil set. GCES art students have HB pencils, colouring pencils, paint brushes, watercolours and acrylics.	100% of Jersey premium learners have suitable art equipment where required for their studies. This has resulted in an increase of pride and engagement of homework.	Art and photography £9825
	Photography: All have access at home to photography equipment including required cameras.	All photography and art learners have access to photography equipment and are able to borrow equipment for home and outdoor activities. This has widened the scope of opportunity for each learner and the choices they can now pursue in their examination pieces.	
	English: All students are equipped with a pencil case and stationary to enable learning.	All Jersey premium students have a full pencil case with equipment.	£3617
Business: Purchased index cards for revision.	Students need to learn around 600 words and this is undertaken both in school and at home. Those who learn their words with their parents are able to answer the questions in the exam. The evidence indicates that those who undertake this method have reached their target grade and up to two grade higher.	£149	

Le Rocquier School Jersey Premium 2018 Evaluation

	Careers: All students have a record of achievement.	Records of achievement hold the students achievements both in school and outside of school. This is used for higher education and employment interviews. All Jersey premium students have a record of achievement in all year groups. This is stored in school and achievements can be added to each folder. The student will be given theirs for Post 16 interviews and when leaving school.	£2296																						
Supporting attendance	Minibus pick up	Some students struggle to attend school. Le Rocquier have two mini buses which can pick up learners. This has increased attendance for these individuals and ensured they attended school on time.	£10,951																						
	Breakfast club	<p>Breakfast club has catered for 2470 learner sessions. Breakfast club has become more than a place to eat, it is a safe place for students to start the day. Student feedback tells us that the main reason they attend breakfast club is to help them with making friends and to give them a good start to the day. This has improve attendance for these individuals.</p> <p>Why do you come to breakfast club?</p> <table border="1"> <caption>Why do you come to breakfast club?</caption> <thead> <tr> <th>Reason</th> <th>Percentage</th> </tr> </thead> <tbody> <tr> <td>Friendship</td> <td>21%</td> </tr> <tr> <td>For breakfast</td> <td>16%</td> </tr> <tr> <td>Well being</td> <td>16%</td> </tr> <tr> <td>To talk to an adult</td> <td>10%</td> </tr> <tr> <td>Good start to the day</td> <td>37%</td> </tr> </tbody> </table> <p>What's the best thing about breakfast club?</p> <table border="1"> <caption>What's the best thing about breakfast club?</caption> <thead> <tr> <th>Reason</th> <th>Percentage</th> </tr> </thead> <tbody> <tr> <td>Fun</td> <td>6%</td> </tr> <tr> <td>Staff</td> <td>19%</td> </tr> <tr> <td>Interacting with others</td> <td>12%</td> </tr> <tr> <td>Feel safe</td> <td>63%</td> </tr> </tbody> </table>	Reason	Percentage	Friendship	21%	For breakfast	16%	Well being	16%	To talk to an adult	10%	Good start to the day	37%	Reason	Percentage	Fun	6%	Staff	19%	Interacting with others	12%	Feel safe	63%	£4252

	Homework club	1520 learner sessions have been taken up by students. The impact of this is improved submission and quality of homework, access to resources not available at home and a school staff member to support with the work. Students are provided with a drink and a snack.	£4251																						
Staff training	Educational survey Pixl Nicas	<p>The school undertook a behaviour survey the impact has updated the schools behaviour policy and interventions. As seen below: behaviour support has equated to 752 hours for learners across the cohort. This is the equivalent to 17% of the Jersey premium students.</p> <p>The school are part of PIXL. Staff and senior teams attend training on whole school and subject related initiatives. The impact of initiatives such as DTT – diagnose, therapy and test have supported learners to reduce the gaps in their subject knowledge. As a result such training has supported the school to increase its 5A*- C outcomes by 14% in the summer 2018.</p>	£4372																						

Le Rocquier School Jersey Premium 2018 Evaluation

		Training for PE staff to allow Key stage 4 Jersey Premium GCES PE learners to gain NICAS certifications.	
Other spending	Sanitary products	Some learners have 'period poverty' as a result were not attending school during their periods. All students can access sanitary products free of charge. This has increase attendance. We would also like to thank Lil-lets who also supported the school with samples in addition to those the school purchased.	£20 (specific items) and Free samples
	Jersey Premium Lead	Ensure the funding is spent ethically and in the interest of Jersey premium learners. To enable every learner to achieve and raise aspirations.	£3051
	Exam remarks	Students who are borderline a higher grade in their GCSE exam results have the opportunity to pay for a remark to see if there has been a missed mark. It was noted that several Jersey premium learners were not applying for a remark due to potential costs. The school offered to pay for those who were in the boundaries for a remark. 9% of learners grades went up	£306
	Photocopying	Admin to share initiatives and activities with students and staff.	£179
Student support	Small group interventions away from traditional lesson format.	As above: Learners have been given more individual. This has equated to 752 hours for learners across the cohort. This is the equivalent to 17% of the Jersey premium students.	£10,120
	Resources for interventions and activities	Resources have been purchased to enable staff to support learners in the intervention sessions.	£548
	Early Help	Families have been supported with early help. (number cannot be disclosed for date protection) This has improved communication between school and parents. Raised attendance for the majority of early help learners. Many families are now aware of free services that can support the family such as: Mind Jersey Youth service Jersey Hospice bereavement support Parenting at the Bridge Yes Access to a family nurse /school nurse.	£16,006
